

Sample Covid-19 Volunteer Registration Form

(This is an example of an opening section to explain what your group is doing.)

As Covid-19 spreads across Ireland we have seen an amazing outpouring of support from our local community looking to help others during this crisis. We have been working hard to figure out the best way we can support our community and our service users at this time.

We are gathering names of potential volunteers. If you would like to volunteer to help us provide supports such as picking up and dropping off shopping or medication, delivering meals, providing administrative or technical support or phoning to check-in on those in isolation, please fill out the form below.

We are aware that some people might be concerned about volunteering at this time. We want to assure you that we are doing our utmost to minimise risk for all our staff, volunteers and clients. Before beginning in your volunteer role we will provide you with advice, support and a basic induction to help you stay safe.

Your Personal Details:

First Name:		Last Name:	
Mobile:		Email:	
Address:			
Eircode:			

Do you have access to a car?
